812/14- McDowell, Julian

This application was deferred at the February 19, 2015 with direction to staff to try and clarify the owner of the land, that was formerly occupied by a deviation road. Julian McDowell was in attendance. The Secretary advised the Committee that the Township Solicitor had obtained the parcel registers for the McDowell/Ashton property as well as the lands which they are using to access their property. The access property is owned by the County of Dufferin. The Solicitor also advised that neither the County property nor the McDowell/Ashton property are subject to the grant of a right of way. The Township will need to have assurance that if it is to grant the severance, that there will be access to the severed lot. Otherwise it will be landlocked. Mr. McDowell was advised to contact the County (Pam Hillock) to determine if he can purchase the land or enter into an easement agreement. Mr. McDowell then asked the Committee if he can purchase the land, can he join it with the square lot as a stand alone lot and would the road bed allowance be considered frontage? The Committee directed that this question be forwarded to the Planner. Mr. McDowell requested that copy of the parcel register be forwarded to him. Deferred to next meeting.
