Deputy Mayor Janice Elliott-chair

Mayor Darren White

Councillor James Webster

Chair called the meeting to order and discussion ensued on Building the framework for the township Strategic Plan. The committee members talked about creating the template and methodology for the SP. We reviewed some other municipal strat plans from Amaranth, County of Dufferin and Town of Mono. WE felt that the Amaranth Plan was more economic based and created by the council with no public consultation. The Town of Mono use their plan as an action document in their decision making and all members agreed that this was the type of document we were striving for. All members would review this plan thoroughly before we met again. We set a future meeting date in two weeks to create the framework and after this meeting we would not be meeting again until the fall. We wanted information to go out in the August tax bills. We also discussed creating an email list with the assistance of staff in this endeavor. The committee would have this ready for council review at the July 21st council meeting with a report for council that time also.

The meeting adjourned at 5:50 to meet again on July 18 at 4:30 p.m. at he the Horning's Mills Hall.
