Effective January 1, 2018

The General Membership of the Grand River Conservation Authority has approved a revised GRCA fee schedule for Plan Review, GRCA Permit and Inquiry services. The fees will be implemented throughout the Grand River watershed effective January 1st, 2018.

We have attached the revised fee schedules. Please ensure that copies of the attached fee schedule are available to municipal staff and prospective applicants.

Announcement A free, web based mapping tool, is available to the public to review GRCA maps of areas regulated under Ontario Regulation 150/06. We note that the text of Ontario Regulation 150/06 defines the areas that are regulated. However, this mapping tool will provide municipal staff and the public with some guidance on the areas regulated by the Conservation Authority. To use this mapping tool please go to www.grandriver.ca On the home page click on "Map Your Property" under the Planning and Permits heading.

Proposed activities or works within the areas regulated by the GRCA will require a permit from the GRCA, in addition to a building permit from the municipality.

The policies regarding Ontario Regulation 150/06 and a series of checklists that will aid the public and development industry to prepare satisfactory reports and plans for applications or inquiries can be found under the planning and regulations section of our website at www.grandriver.ca. The Plan Review and GRCA permit fees are also posted on the GRCA website under the planning and regulation section.

Please note that GRCA [GIS data access](#) is available to download or order data for use with your GIS directly off of the GRCA website.

If you have any questions or concerns regarding the Plan Review or Permit Service Fees please contact Fred (ext. 2229) or Beth (ext. 2307) at (519) 621-2761.
