Applications for Minor Variance

1. A3-21 – Tupling Farms Ltd – Part Lots 27 and 28, Concession 1 OS – 558452 Mulmur Melancthon Townline (allow setback of nearest new grain bin to be 11 metres from front lot line instead of 15 metres).

Councillor Hannon Declared an interest for the reason that he has a lease agreement with Tupling Farms Ltd.

Chris Jones reviewed his report with the Committee and indicated that the variance was straight forward and will accommodate a part of the existing structure. Chris Joes stated that he had no issues with recommending the variance for approval.

Moved by Besley, Seconded by Mercer that the Committee approve the granting of a minor variance A3-21 for Part of Lots 27 & 28, Concession 1 OS as follows:

the front lot line setback for the proposed grain storage/drying bins, elevator system and accessory power room shall be reduced to approximately 11 metres and also this variance shall recognize three existing grain storage bins located approximately 9 metres from the front lot line.

The requested variance is considered minor in that it will accommodate the proposed buildings. The variance is considered appropriate for the proper development of the property and maintains the general intent and purpose of the Official Plan and Zoning By-law

Carried.
