1. Call to Order

2. Land Acknowledgement

We would like to begin by acknowledging that Melancthon Township recognizes the ancestral lands and treaty territories of the Tionontati (Petun/Wyandot(te)), Haudenosaunee (Six Nations), and Anishinaabe Peoples. The Township of Melancthon resides within the lands named under the Haldimand Deed of 1784 and the Lake Simcoe-Nottawasaga Treaty (Treaty 18).

These territories upon which we live and learn, are steeped in rich Indigenous history and traditions. It is with this statement that we declare to honour and respect the past and present connection of Indigenous peoples with this land, its waterways, and resources.

3. Additions/Deletions/Approval of Agenda

Moved by _____ Seconded by _____ be it resolved that the agenda be approved as circulated/amended.

4. Declaration of Pecuniary Interest or Conflict of Interest

5. Approval of Draft Minutes – April 13th, 2022

Subject: 052188_Bridge 11 - Construction Summary (Work up to June 1st)
Attachments: Waterproofing (1).jpg; Waterproofing (2).jpg; Waterproofing (3).jpg; Paving (1).jpg; Paving (2).jpg; Restoration (1).jpg; Restoration (2).jpg

Good afternoon Craig,

The Contractor is working to wrap up at Bridge 11 next week and is planning to reopen the road by end of day Monday June 6th once guide rail is installed.

Below is a brief summary of the work completed at Bridge 11 up to June 1st as well as a few photos attached capturing the construction progress.

Construction Progress

- New deck drains and drain extensions have been installed;
- The bridge deck has been waterproofed;
- Road widening, padding and paving has been completed; and
- The Contractor is working to complete site restoration.

Construction Schedule

- Site restoration work to be completed by Friday June 3rd;
- Guide rail installation is scheduled for Monday June 6th; and
- The Contractor is planning to reopen the road to traffic by end of day Monday June 6th

Unfortunately, the Contractor ran into supply issues for the concrete sealer (Item D.7) and noted that they will return to site to seal the curbs, barriers and fascia at a date TBD. It is anticipated that the sealer will become available in approximately 3-6 weeks. No additional road closure will be required for application of the concrete sealer.

Please let me know if you have any questions.

Thank you,
Mark
