#### **Note to Detachment Commanders:**

- The content of each report is to be shared by the Detachment Commander only with the municipality for which it was generated. The municipality may treat this as a public document and distribute it as they wish.
- All data is sourced from the Niche RMS application. Included are 'reported' occurrences (actuals and unfounded occurrences) for 'billable' occurrences ONLY. Data is refreshed on a weekly basis.
- The Traffic category includes motor vehicle collision (MVC) occurrences entered into Niche (UCR code 8521). MVCs are NOT sourced from the eCRS application for this report.
- Only the primary violation is counted within an occurrence.
- Time standards displayed are for the 2021 billing period.

#### **Note to Municipalities:**

- Data contained within this report is dynamic in nature and numbers will change over time as the Ontario Provincial Police continues to investigate and solve crime.
- This report is NOT to be used for crime trend analysis as not all occurrences are included.
- Data groupings within this report do not match traditional crime groupings seen in other public reports such as the OPP Police Services Board reports or Statistics Canada reporting.

## DUFFERIN OPP WRAP UP FESTIVE RIDE

**FROM/DE:** Dufferin Detachment

**DATE:** January 5, 2023

### DUFFERIN OPP WRAP UP FESTIVE RIDE

(DUFFERIN, COUNTY) - The Dufferin Detachment of the Ontario Provincial Police (OPP) have concluded the Festive RIDE (Reduce Impaired Driving Everywhere) campaign and the results are in.

The Festive RIDE campaign, which ran from November 17, 2022, until January 2, 2023, was led by the Ontario Association of Chiefs of Police (OACP) and involves a collaboration among Ontario police services to keep roads free of alcohol-impaired and drug-impaired drivers. During the campaign, officers were highly visible as they conducted RIDE initiatives 24 hours a day, seven days a week.

The results of the RIDE campaign show that drivers who are impaired by alcohol or drugs continue to pose a threat to Ontario roads.

- Officers conducted 227 RIDE Programs
- 27 Drives charged with impaired operation related offences
- 6 Drivers issued warn-range driver's licence suspensions (3, 7 or 30-day)

Dufferin OPP would like to thank the concerned citizens who contacted police to report a possible impaired driver. These calls save lives and therefore we treat them as a high priority. If you suspect an impaired driver, make that lifesaving call and dial 9-1-1.

Members of the public are reminded to plan to not drive when planning to drink or consume drugs. There are many alternative options to remove impaired driving from the picture, such as a designated driver, taxi, rideshare, public transit or staying the night.

I am emailing to inquire about getting a sign installed on our street by the township, either a community zone sign or kids at play with a speed limit of 40km/hr.

We have a lot of kids on our street playing outside, riding bikes etc. and large trucks fly down our street which is really worrisome. Trucks, aren't allowed on our street but that seems to be ignored and I haven't had any luck getting that enforced so maybe a clear sign would help drivers be more mindful and cautious.

Are you able to help with this or direct me to someone who could?

Best,  
Samantha Corba

Hi Samantha,

Thank you.

Could you please confirm which street you are requesting this on?

Hi Denise,

Thanks for getting back to me. It is on 15 Sideroad West side of Dufferin rd 124

---

Please put this email on your next Police Service Board Agenda as per direction of the Roads Sub-Committee.

Thank you.

To: Alan Blundell, Chair Melancthon Police Services Board

Hi Alan. At the Jan 20/23 Joint Meeting of the Dufferin County Section 10 Police Services Boards, I raised the lack of consistency among s. 10 and s. 31 boards with respect to the nature and extent of posted information shared with the public. I indicated that I intended to investigate how the boards in Zone 5 handle disclosure and report back to the Orangeville Board so that we can review making adjustments to our own website disclosures. I believe you indicated at the Joint meeting that you were also interested in this topic.

I have reviewed all of the Zone 5 board websites. Some are stand-alone and others are embedded to varying degrees within their municipal websites. My initial findings, which I will be presenting to the Orangeville Board, are as follows:

- embedding police services board information within a municipal website is not a best practice given,
  - the role of boards and their police oversight independence from municipal councils; and
  - the potential difficulty presented to the public in retrieving the information by hunting through the municipal site to find police service board information.
- minimal disclosure requirements should be:
  - general background information re the establishment of the board and the legislation (PSA, Code of Conduct etc.);
  - board members and their terms;
  - public meeting schedules, agendas and minutes approved by the board (with a searchable archive for at least 2 years); and
  - identification of the nature of the police service (i.e., s. 10 or s. 31 police services).
- better disclosure would include:
  - board governance documents, including board by-laws and non-confidential policies/protocols and other;
  - non-confidential board projects and work register
  - board budgets;
  - board strategic plan and business plan;
  - public consulting and other disclosures required by the PSA and Adequacy and Effectiveness of Police Services Regulation (O. Reg. 3/99);
  - other information?

I have asked to be added to the next Zone 5 meeting (March 14th) agenda to discuss this topic. I think there is a lot of work to be done (by some boards more than others) to improve their public profiles and disclosures. I recognize this may be a sensitive topic if raised in too critical a way. My intention is to raise it generically as something that Orangeville is looking at and then encourage all boards to consider their own disclosure practices relative to others in the region. I will also report on this at our next Joint meeting.

I have copied Duane Sprague (Ministry) and Lisa Darling (OAPSB) on this for their information as they may wish to comment or pursue this issue more generally with their broader group of stakeholders. I

am also copying John Thompson (Chair of the Owen Sound police services board and Zone 5 Director on the OAPSB board).

I must say that Melanchthon's website disclosure is one of the best I have come across in my review so congratulations on that. If you would like to get involved let me know...it would be great to have another set of eyes looking at what other Zones are doing.

Ideally, through the Ministry, the OAPSB and Zone/Joint meetings we can help to improve disclosure content and consistency through accepted best practices.

I have similar (consistency and content) concerns about police services board governance practices, but as Duane and Lisa know, that is a separate project we are looking at in Orangeville and hope to share with other boards in due course.

Best,

Ian McSweeney  
Vice-Chair, Orangeville Police Services Board
