The Township of Melancthon resides within the lands named under the Haldimand Deed of 1784 and the Lake Simcoe-Nottawasaga Treaty (Treaty 18).

It was in the plans to be done 2 or 3 years ago but then the plans changed and I don't know why. Yes please bring my concern to whomever is responsible for putting this back in the plans. The main reason I chose this house 20 some years ago was because it was on a paved road and now it's not. On top of the flying gravel and potholes I am also tired of everything being covered in dust inside and out.

Thank you,

Good Afternoon,

Thank you for your email, unfortunately the 5th Line OS is not in the 2024 budget to be repaved.

I can put your email on the next Roads Sub-Committee Agenda to bring it to their attention if you would like. Please advise.

Thank you.

Subject: 5th Line , Melancthon.

Dear Melancthon Township,

We are so unhappy with our 5th Line gravel road.

Just talked with our neighbour about our road that he was complaining about personally at Your office.

Apparently there are not enough complaints in order to pave our road.

So we decided to complain.

We just waited patiently so far, hoping that soon our road will be paved. It is very important especially because both of us, me and my husband, are having brand new cars from last year.

Now there are transport trucks going up and down the road making it even worse for pot hole and washboard effect.

We are appreciating Your attention and work for our community ,

best regards,

Katalina and Ken Ringler.
