AGENDA

1. Call to Order

2. Land Acknowledgement Statement

We will begin the meeting by sharing the Land Acknowledgement Statement:

We would like to begin by acknowledging that Melancthon Township recognizes the ancestral lands and treaty territories of the Tionontati (Petun/Wyandot(te)), Haudenosaunee (Six Nations), and Anishinaabe Peoples. The Township of Melancthon resides within the lands named under the Haldimand Deed of 1784 and the Lake Simcoe-Nottawasaga Treaty (Treaty 18).

These territories upon which we live and learn, are steeped in rich Indigenous history and traditions. It is with this statement that we declare to honour and respect the past and present connection of Indigenous peoples with this land, its waterways and resources.

TOWN OF SHELBURNE

COUNCIL RESOLUTION

No. 2025-22

Date: February 10, 2025

Moved by: Mayor Mills

Seconded by: Councillor Guchardi

WHEREAS the threat of tariffs imposed by the United States on Canadian goods remains open and unsettled;

AND WHEREAS federal and provincial leaders have encouraged Canadians to support Canadian businesses;

AND WHEREAS municipalities have significant purchasing power but have traditionally been prevented from giving preference to Canadian suppliers;

NOW THEREFORE, BE IT RESOLVED THAT Council calls upon the federal and provincial governments to remove any barriers allowing municipalities from preferring Canadian companies for capital projects and other supplies;

AND THAT Council also calls upon the federal and provincial governments to take immediate action to remove trade barriers between provinces;

AND THAT Council encourages the County of Dufferin, through the Community Development and Tourism Department, to develop a framework to support local businesses including a "Buy Local" campaign that identifies and promotes local products and services;

AND THAT Council requests staff to review existing procurement policies and applicable laws to determine if there are existing mechanisms to allow the Town of Shelburne to offer a preference to Canadian companies for capital projects and other supplies;

AND BE IT FURTHER RESOLVED, that copies of this resolution be sent to:

- The Right Hon. Justin Trudeau, Prime Minister of Canada
- The Hon. Doug Ford, Premier of Ontario
- The Hon. Melanie Joly, Minister of Foreign Affairs

- The Hon. Vic Fedeli, Minister of Economic Development, Job Creation and Trade
- The Hon. Paul Calandra, Minister of Municipal Affairs and Housing

Attachment: EOWC Resolution

Resolution: EOWC Support of Canadian and Ontario Governments' Negotiations with the United States Government on Trade Tariffs

Moved by: Corinna Smith-Gatcke, Warden of the United Counties of Leeds & Grenville Seconded by: Steve Ferguson, Vice-Chair, EOWC / Mayor of Prince Edward County

Whereas the Canadian government is currently in negotiations with the United States (U.S.) government on their proposed 25% tariffs on Canadian goods exported to the U.S.; and

Whereas Canada's Prime Minister and Ontario's Premier have outlined several plans to combat the impact that the proposed tariffs would have on Ontario which focus on strengthening trade between Ontario and the U.S. while bringing jobs back home for workers on both sides of the border; and

Whereas the Canadian government has also outlined several ways to address the current relationship with the U.S. including establishing the Council on Canada-U.S. relations to support the federal government as it negotiates with the U.S. on tariffs; and

Whereas trade between Ontario and the U.S. is very important to our residents and local economies, and requires all levels of government to work together in the best interest of those residents; and

Whereas according to data from the Association of Municipalities of Ontario, across Ontario municipalities are expected to spend between \$250 and \$290 billion on infrastructure in the next 10 years; and

Whereas Ontario municipalities have traditionally treated trade partners equally and fairly in all procurements in accordance with our established international trade treaties; and

Whereas municipalities play a crucial role as part of the Team Canada approach to combat tariffs and support businesses in our procurement for capital and infrastructure programs; and

Whereas there are trade barriers between Canadian provinces and territories.

Therefore, be it resolved that the Eastern Ontario Wardens' Caucus supports the Canadian and Ontario governments on the measures they have put in-place in response to the proposed U.S. tariffs on Canadian goods and ask that they take any and all measures to protect the interests of Ontario in any upcoming trade negotiations, and ensure municipalities are part of the coordinated Team Canada approach;

And that the Canadian and Ontario governments remove any impediments to municipalities preferring Canadian companies and services for capital projects and other supplies;

And that the Canadian and Ontario governments take action to remove trade barriers between provinces as a response to U.S. tariffs and support Canadian businesses;

And that the Canadian and Ontario governments remove all legislative barriers that impact the ability to buy local, and indemnify municipalities should there be challenges to buying Canadian;

And that the Canadian and Ontario governments continue to invest in infrastructure to provide stability, jobs, and support our communities' social and economic prosperity over the long-term.

Be it further resolved, that copies of this motion be sent to:

- The Right Hon. Justin Trudeau, Prime Minister of Canada
- The Hon. Melanie Joly, Minister of Foreign Affairs
- The Hon. Nate Erskine-Smith, Minister of Housing, Infrastructure and Communities
- Doug Ford, Leader of the Progressive Conservative Party

FOR IMMEDIATE RELEASE - February 11, 2025

Statement from the Vice Chair of the Western Ontario Wardens' Caucus on Tariffs

(Southwestern Ontario, February 11, 2025) – "As Vice-Chair of the Western Ontario Wardens' Caucus (WOWC), I want to express our ongoing support for the Government of Ontario and the Government of Canada as they work to navigate the challenges posed by tariffs and other trade restrictions. The WOWC recognizes that these barriers create significant challenges for industries that are vital to our region's economic stability, job creation, and long-term prosperity.

Our communities in Western Ontario thrive when we work together, and supporting our local producers, manufacturers, and farmers is critical to ensuring continued growth and sustainability. The WOWC will remain a vocal advocate for solutions that protect our industries and communities, as we are committed to working with all levels of government to safeguard our region's economic future.

Western Ontario's strength comes from our ability to adapt and respond as a region, and the WOWC remains dedicated to partnering with all stakeholders to ensure our communities remain strong and resilient."

Premier Doug Ford Premier of Ontario Legislative Building Queen's Park Toronto ON M7A 1A1

Honourable Doug Ford:

At its regular meeting on February 13, 2025, Dufferin County Council passed the following resolution:

THAT Council supports the following resolution made by the Town of Orangeville on February 10, 2025:

WHEREAS road safety has been identified as a priority for County of Dufferin Council, staff, and residents; and

WHEREAS significant increases in truck traffic on Highway 10 have led to safety concerns along the entire corridor from Melancthon down to the southern point of Caledon; and

WHEREAS trucking companies avoid Highway 407 due to its tolls, leading to higher volumes of traffic on other roads and highways; and

WHEREAS a pilot project to subsidize truck lanes on Highway 407 would provide valuable insights into the economic and road safety impact of diverting truck traffic to the 407; and

THEREFORE BE IT RESOLVED THAT the Town of Orangeville support the City of Vaughan's recent resolution to request that the Province of Ontario implement a one-year pilot program that will subsidize or eliminate tolls for dedicated truck lanes on Highway 407, evaluating the impact on overall transportation efficiency and road safety; and

BE IT FURTHER RESOLVED THAT a copy of this motion be circulated to Premier Doug Ford, Hon. Sylvia Jones, Deputy Premier and Dufferin-Caledon MPP, Hon. Prabmeet Sarkaria, Minister of Transportation, Steven Del Duca, Mayor of the City of Vaughan and all Dufferin municipalities.

Dear Minister:

At the meeting of Council held on January 16, 2025, the following motion was introduced and passed:

Moved by McLean, Seconded by Neilson

Be it resolved that:

"Whereas truck traffic has increased throughout the County of Dufferin over the past few decades;

And Whereas local businesses depend on the timely delivery of products from these trucks;

And Whereas trucks are forced to travel through downtown Shelburne to continue travelling west on Highway 89 and north on Highway 10;

And Whereas this route creates delays for truck drivers and businesses awaiting products;

And Whereas the increase in truck traffic is creating significant challenges in Shelburne and the surrounding areas, including hurting the local economy, environment, and housing;

And Whereas no bypass exists to relieve this pressure on Shelburne's downtown core;

And Whereas the Town of Shelburne, together with the surrounding municipalities of Amaranth and Melancthon - agree that a bypass is needed;

And Whereas the County of Dufferin has identified a Shelburne bypass as a strategic priority as part of its 2023 Transportation Master Plan.

Now Therefore Be it Resolved that the Township of Melancthon requests that Ontario's Ministry of Transportation initiate a formal process, in collaboration with Township of Melancthon, Township of Amaranth, Town of Shelburne and County of Dufferin, to study and implement a truck bypass for the Town of Shelburne."

Carried.

Thank you.

RE: Motion for the Protection of Agricultural Lands and Sustainable Development in Relation to Provincial Projects and Excess Soil Management Practices

Please be advised that Township of Puslinch Council, at its meeting held on October 23, 2024 considered the aforementioned topic and subsequent to discussion, the following was resolved:

Resolution No. 2024-378: Moved by Councillor Hurst and

Seconded by Councillor Sepulis

Whereas the provincial government is undertaking:

- a) significant road and underground projects over the next ten years which will generate significant excess soil to be managed and disposed; and
- b) studies of underground projects that if implemented will also generate significant excess soil: and

Whereas landfill sites across Ontario are already near capacity, necessitating amendments to legislation to allow certain quality soil to be disposed at excess soil reuse sites instead of being disposed of in landfills effective January 1, 2025; and

Whereas the Ministry of the Environment, Conservation and Parks (MECP) is currently under resourced and lacks the capacity to effectively manage the additional enforcement and oversight required for the relocation of excess soil; and

Whereas the responsibility to enforce and oversee excess soil regulations is being downloaded onto municipalities, which have limited enforcement capabilities and face the risk of significant costs being passed on to local taxpayers; and

Whereas contamination of existing soil and groundwater is a significant concern, particularly in rural municipalities with valuable agricultural lands and reliance on groundwater for its residents; and

Whereas agricultural lands must be prioritized equally with housing needs, roads and underground infrastructure; failure to adequately protect these lands could exacerbate the ongoing food crisis in Ontario; and

Whereas Ontario is not alone in navigating the challenges of sustainable development, and the United Nations provides guidance through its Sustainable Development Report, which includes goals focused on economic growth, infrastructure, sustainable communities, hunger, clean water and sanitation, climate action, and life on land; and

Whereas it is critical that governments consider the comprehensive impacts on all of these areas when conducting feasibility studies and implementing projects which generate excess soil; and

Whereas neglecting to account for the broader implications of projects may lead to negative outcomes;

Therefore Be It Resolved that the Council of the Township of Puslinch calls on the provincial government to:

- 1. Prioritize the protection of agricultural lands in the management of excess soil from roads and underground projects and in the planning and feasibility studies related to such projects.
- 2. Ensure that adequate resources are allocated to the MECP to support effective enforcement and oversight of excess soil regulations.
- 3. Collaborate with municipalities to provide necessary support and funding for enforcement activities related to excess soil management, minimizing financial burdens on local taxpayers.
- 4. Conduct a comprehensive impact assessment that considers all aspects of sustainable development, in alignment with the United Nations Sustainable Development Report, before proceeding with the traffic tunnel project and any further amendments to excess soil legislation; and

That the Township of Puslinch Council direct staff to send a copy of this resolution to the Minister of the Environment, Conservation and Parks; the Premier of Ontario; all Ontario municipalities; MPP Arnott; MPP Rae; the Wellington Federation of Agriculture; and OMAFRA requesting support for the protection of agricultural lands and sustainable development practices in Ontario.

Re: Motion regarding Opposition to Provincial Legislation on Cycling Lanes and Support for Municipal Authority in Transportation Planning

At their Regular Meeting of Council on January 8, 2025, the Council of the Town of Aylmer endorsed the following resolution:

WHEREAS the Government of Ontario has announced legislation requiring provincial approval for new cycling lanes;

AND WHEREAS this legislation would compel municipalities to demonstrate that proposed cycling lanes will not negatively impact vehicle traffic;

AND WHEREAS cycling infrastructure is crucial for environmental transportation, road safety, and public health, and provincial oversight in this matter represents an unwarranted intrusion into municipal authority;

AND WHEREAS the Town of Aylmer is evolving an active transportation plan to enhance walking and cycling infrastructure;

AND WHEREAS the Association of Municipalities of Ontario (AMO) has strongly criticized this proposed legislation as a "significant overreach" into municipal jurisdiction;

AND WHEREAS AMO has stated that none of its 444 member municipalities were consulted or shown evidence justifying the province's proposed veto power over new bike lanes;

THEREFORE, BE IT RESOLVED:

1. That the Town of Aylmer strongly opposes the proposed provincial legislation governing bicycle lanes and affirms its support for maintaining municipal jurisdiction over cycling infrastructure decisions.

- 2. That the Town of Aylmer endorses the AMO's position that municipalities are better positioned than the Ministry of Transportation to make decisions about local transportation matters based on local knowledge and community input.
- 3. That the Town of Aylmer calls on the Government of Ontario to withdraw the proposed legislation and respect the established authority of municipalities to make informed decisions about local transportation needs, including the implementation of cycling lanes.
- 4. That the Town of Aylmer reaffirms its commitment to its transportation plan and the continued development of safe, environmentally friendly, efficient cycling infrastructure for the benefit of all residents.
- 5. That the Town Clerk be directed to forward a copy of this resolution to the Premier of Ontario, the Minister of Transportation, the Member of Provincial Parliament representing constituencies within the Elgin-Middlesex-London region, to the Association of Municipalities of Ontario (amo@amo.on.ca) and all Municipalities in Ontario.
- 6. That the Town of Aylmer calls upon municipalities across Ontario to adopt similar resolutions in defense of local decision- making authority and sustainable, efficient and environmentally friendly transportation planning.

Council for the Town of Mono passed the following resolution during its February 11, 2025 session.

Resolution #4-3-2025

Moved by Ralph Manktelow, Seconded by Fred Nix

WHEREAS the President of the United States has placed a 25% tariff on Canadian goods imported to the United States (currently deferred for 30 days);

AND WHEREAS, this will create economic hardship for Canadians and have an impact on our businesses, industries, and human resources;

AND WHEREAS, Canadians are questioning what has happened to the longstanding friendship that we had with our American allies.

THEREFORE BE IT RESOLVED that the Town of Mono review its procurement practices with the goal of maximizing economic benefit to Canada;

AND THAT we encourage Mono residents to do the same;

AND THAT this "Buy Canadian" policy sends a clear message to the United States: Do not apply these tariffs.

Re: Support Resolution Regarding a Feasibility Study for Highway 407

Please be advised that the Council of The Corporation of the Town of Orangeville, at its Regular Council Meeting held on February 10, 2025, approved the following resolution:

Whereas road safety has been identified as a priority for Town of Orangeville Council, staff, and residents; and

Whereas significant increases in truck traffic on Highway 10 have led to safety concerns along the entire corridor from Melancthon down to the southern point of Caledon; and

Whereas trucking companies avoid Highway 407 due to its tolls, leading to higher volumes of traffic on other roads and highways; and

Whereas a pilot project to subsidize truck lanes on Highway 407 would provide valuable insights into the economic and road safety impact of diverting truck traffic to the 407; and

Therefore be it resolved that the Town of Orangeville support the City of Vaughan's recent resolution to request that the Province of Ontario implement a one-year pilot program that will subsidize or eliminate tolls for dedicated truck lanes on Highway 407, evaluating the impact on overall transportation efficiency and road safety; and

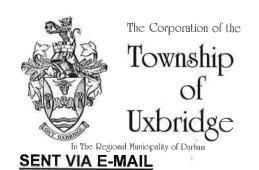

Be it further resolved that a copy of this motion be circulated to Premier Doug Ford, Hon. Sylvia Jones, Deputy Premier and Dufferin-Caledon MPP, Hon. Prabmeet Sarkaria, Minister of Transportation, Steven Del Duca, Mayor of the City of Vaughan and all Dufferin municipalities.

REPORT

Office of the Mayor

TO: Finance and Emergency Services Committee

FROM: Mayor Dave Barton **DATE:** February 3, 2025 **REPORT:** 04/25 **FILE NO.:**

SUBJECT: Implementation of "Buy Canadian" Policy

BACKGROUND:

The purpose of this report is to seek Committee's approval for the adoption of a "Buy Canadian" policy. This policy will prioritize Canadian suppliers and manufacturers for municipal procurement, encourage diversification of non-U.S. sources, and establish oversight mechanisms for any significant expenditures involving U.S. manufacturers. This initiative aligns with our commitment to supporting federal and provincial leaders, Canadian farmers, manufacturers, and the sovereignty of Canada. This policy shall work in tandem with the Township of Uxbridge's procurement policy.

DISCUSSION:

1. Prioritization of Canadian Suppliers:

Staff will be directed to prioritize the purchase of goods and services from Canadian manufacturers and suppliers whenever possible. This policy aims to bolster the Canadian economy, support local businesses, and contribute to sustainable procurement practices.

2. Non-U.S. Alternatives:

In situations where Canadian products or services are unavailable, staff will seek suppliers from countries other than the United States. This approach will diversify our supply chain, reduce dependency on U.S. manufacturers, and promote broader international trade relationships.

3. Approval Requirements for U.S. Purchases:

To ensure transparency and fiscal responsibility, the following approval thresholds will apply to any purchases from U.S. manufacturers:

• **Expenses Over \$1,000:** Any purchase exceeding \$1,000 must be approved by the Chief Administrative Officer (CAO), in consultation with the mayor and council as appropriate.

4. Support for Canadian Sovereignty:

This policy demonstrates our municipality's commitment to supporting federal and provincial leaders in their efforts to strengthen the Canadian economy. By prioritizing Canadian products, we are actively supporting:

- Canadian farmers and agricultural producers, ensuring the continued vitality of rural communities and food security.
- **Local and national manufacturers**, promoting job creation and innovation within Canada.
- The sovereignty of Canada, by reducing reliance on foreign suppliers and fostering economic independence.

ALIGNMENT TO STRATEGIC PRIORITIES:

- **Good Governance:** Ensuring fiscal responsibility and transparency in procurement practices.
- **Economic Development:** Supporting local businesses, farmers, and manufacturers while contributing to Canada's economic sovereignty.
- **Sustainability:** Encouraging environmentally responsible and locally sourced procurement decisions.

RECOMMENDATION:

THAT Report CAO-04/25 of Mayor Dave Barton be received for information;

AND THAT Committee direct staff to implement the "Buy Canadian" policy as outlined in this report;

AND THAT any purchases from U.S. manufacturers exceeding \$1,000 require CAO approval. AND THAT a copy of Report CAO-04/25 be forwarded to the Finance and Emergency Services Committee for consideration.

AND THAT this policy will be in place until such time as there is clear indication from the Province and Feds that trade relations have been normalized.

AND THAT this policy be forward to all municipalities in Ontario and request they implement similar policies.

AND THAT this policy be forwarded to AMO and ROMA.

AND THAT this policy be forwarded to the Premier of Ontario, MP O'Connell, Durham MPP's and appropriate Provincial ministers.

AND THAT we collaborate with North Durham Chamber of Commerce to implement the policy outlined above.

Respectfully Submitted by:

Mayor Dave Barton

CARRIED: DEFEATE	D: Postp	oned to:

Whereas United States President Donald Trump, issued executive orders to impose tariffs on imports from Canada effective March 12, 2025; and

Whereas these tariffs will have a significant detrimental impact on the economic stability in both countries; and

Whereas federal and provincial leaders are encouraging Canadians to buy Canadian; and Whereas municipalities have significant purchasing power through capital and infrastructure programs; and

Whereas according to data from the Association of Municipalities of Ontario, Ontario municipalities are expected to spend \$250 to \$290 billion on infrastructure in the next 10 years; and

Whereas municipalities have traditionally been prevented by trade agreements and legislation from giving preference to the purchase of Canadian products and services; and Whereas municipalities can assist in the effort to combat tariffs and support businesses in the procurement for capital and infrastructure programs;

Now therefore be it resolved that the Council of the Town of Parry Sound endorse the federal and provincial call to action to buy Canadian where and when possible; and That the federal and provincial governments work with municipalities on measures to protect Canadian consumers and businesses; and

That Council call on the federal and provincial government to remove any impediments to municipalities preferring to engage Canadian companies for capital projects and supplies when appropriate and feasible; and

That this resolution be forwarded to Prime Minister Justin Trudeau, Premier Doug Ford, the Association of Municipalities of Ontario, the Federation of Canadian Municipalities

and all Ontario municipalities.

RE: Cell Towers and their Associated Maintenance

#06-05-2025

Moved by Aman Sohrab

Seconded by Laurie (Smokey) Golden

Whereas the Municipality of Northern Peninsula experienced several power outages in the fall of 2024;

Whereas this resulted in loss of cellular services that was caused by a faulty generator on the cell tower site and, the entire Northern Bruce Peninsula had no cellular and/or communication services; and

Whereas intermittent or complete lack of cellular services and maintenance of current cellular infrastructure in rural communities creates a significant barrier to access to emergency services, negatively affects emergency response time, and increase public safety risk;

Therefore, it is resolved that Canada and the Province of Ontario set targets to close gaps in cellular service in rural communities and mandate service providers in partnership with all levels of government to develop a 48-hour maximum maintenance period for repairing of cellular infrastructure;

Training

Recruitment

At the beginning of 2024 the Dundalk Fire Department had seven new recruits start the recruitment program. This program is a blended inhouse training program. Recruits were expected to read a textbook at home, reviewing videos and completing chapter tests using our Vector Solutions learning software. The recruits would attend the fire hall every Monday night from January to April for three hours to complete hands on practical skills training and review any questions from the online chapters. Recruits also attended three Saturday a month for an eight-hour training session. The focus of the full day was to complete required practical skills sign offs for firefighter level I and level II.

In April, recruits completed written and practical testing, supervised by the Academic Standards and Evaluation Department of the Ontario Fire Marshals Office to become fully certified for Level I and Level II firefighting activity.

In May the recruits completed live fire training in Markdale using the Ontario Fire Colleges Mobile Live Fire Training Unit. The recruits were able to demonstrate live firefighting evolutions while being in a controlled environment. This was their second exposure to live fire training as during the recruit training staff had burn cells built for firefighters to be able to experience limited fire conditions prior to testing their testing date.

Regular Training

In 2024 firefighters completed eighty-one hours of regular training. All members who have been certified to NFPA 1002 Pump Operations completed an additional 12 hours of hands-on pump training to stay refreshed. Regular training sessions are three hours long conducted on Tuesday nights with each member attending twice a month utilizing a rotating platoon system. Each quarter there is an additional theory practice and pump operations training for those certified. On top of the regular training each platoon was scheduled to complete truck checks once per quarter. Truck checks are a time to for firefighters to become familiar with the equipment on each truck and its location. It allows the department to ensure all equipment is in the ready state to respond to any emergency that may arise. If staff attended each assigned truck check, then the firefighter would account for an additional 12 hours of training bringing the total training time for the year up to ninety-three – one hundred and five hours depending on certification.

Additional Training

In 2024 firefighters completed additional training above the required regular training nights. Staff continued to run our approved in-house Hazardous Materials Awareness and Operations training program, that was accredited by Academic Standards and Assessment branch of the Ontario Fire Marshals Office. I am happy to announce that we are in compliance with mandatory certification for Hazmat. When we started the hazmat training program in 2023 the department only had three certified members. Today the department has twenty-seven members certified to hazmat operations level.

In July the Dundalk Fire Department completed two additional training programs. The first being a learning contract for NFPA 1002 Pump Operations. A total of thirteen members completed the training. By hosting a learning contract the department supplied its own accredited instructors to teach the Ontario Fire Colleges program at our own department. The course consisted of forty hours of online pre class material followed by five days of in class practical skills which was completed over two weekends. By utilizing a learning contract, it allowed for the department to keep all apparatus in service and cut down costs. NFPA 1002 is a mandatory certification requirement by July 1st, 2026, for any firefighter who operates a pumper apparatus at a fire scene. The department was able to increase its compliment of certified operators from six members to nineteen members. This ensures there will always be a certified pump operator at scenes.

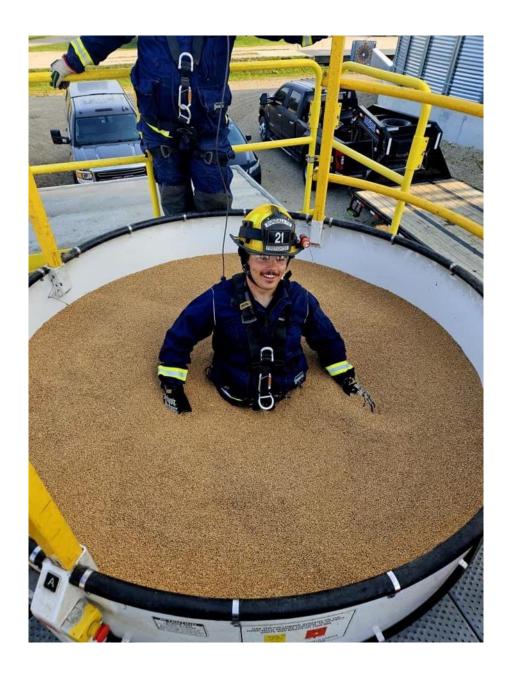

The second training completed was "be grain safe" training through the Canadian Agricultural Safety Association. The training consisted of eight hours of online theory followed by a day of practical training. This training provided members with knowledge regarding safety around grain incidents from different hazard identification to how to stabilize and rescue someone submerged in grain. The department opened this training up to our neighbours to promote collaboration between departments and had Grey Highlands Emergency Services, Meaford Fire Department and Grand Valley and District Fire Department participate in the training. The training was made possible through sponsors such as Pallister Farms for providing the training location, grain and a generous donation to cover the cost of the coffer damn. The department would also like to thank Corteva who covered the cost of the training for the departments.

Lastly the Dundalk Fire Department was approved as a Red Cross Training Partner. The application process took several months and the Township has some restrictions on required costs that it must charge if offering a course to the public. By becoming a Red Cross Training Partner, the Department is

able to teach all Southgate employees First Aid and CPR for a percentage of the cost it would cost us through a third-party company.

Public Education and Community Involvement

The department was busy again in 2024 with public education and community involvement. Several events were attended or hosted by the Dundalk Fire Department.

The "adopt a classroom program" continued for the second year. Each month the fire prevention officer attends Highpoint school in Dundalk to present fire safety messages to all grade three students. In addition, the OPP was invited to participate for one month to provide messaging regarding cyber bullying and strangers safety. This program was well received by the students, teachers and parents which allowed the department to continue this program for the second year and to make it a permanent

program moving forward. Each year the same material is taught and follows the following schedule of topics for the school year.

September	Cyber bulling in partnership with Grey County OPP
October	Smoke alarms
November	Home escape planning
December	No fire prevention due to holidays
January	Reporting emergencies
February	Emergency planning
March	Home and cooking safety
April	Open flame fire safety
May	May was skipped due to EQAO Provincial testing
June	Tour of the fire hall

Outside the adopt a classroom program which was completed by our fire prevention officer the following public education was also completed for 2024.

March

• The department hosted its annual march break programming. This programming had 30 individuals attend over two days

April

• Staff attended Holsteins Maple Fest also for two days providing public education on lithiumion battery safety.

May

• Staff completed our annual emergency preparedness week campaigning by handing out educational material and local locations through-out the Township of Southgate. Egremont Community School attended the Saugeen Valley Children's Safety Village. Any time a school from Southgate attends the Safety Village staff from the Dundalk Fire Department also attends to help provide the Safety Villages program to the group. By having our own staff there it ensures the same message is being delivered to all Southgate Children but also allows the Children to see a familiar face.

September

• The department attended the annual Dundalk Fall Fair for two days providing public education to all attendees. September marked the second Provincial "Check your smoke alarm day". This day was established last year as an annual event to try and provide awareness around the importance of smoke alarms in residential homes. Each year fire deaths in the Province of Ontario total over 100 people. In most cases there were no working smoke alarms within these homes providing for early detection. Staff went to Holstein, locations in Dundalk and Corbetton this year. A total of one hundred and forty one houses doors were knocked on with seventy three answered. Only twenty three people

allowed staff to inspect their home which resulted in only fifteen out of twenty three homes having working smoke alarms.

October

 The fire department promoted free fire extinguisher training for local businesses within Dundalk. Staff were successful in getting one business interested and trained approximately ten employees on the use of fire extinguishers. The department continues to offer this service to any business within Southgate. If any are interested they are encouraged to reach out the Southgate's Fire Prevention Officer.

November

The department hosted its annual Firefighters Toy Drive. Locations were set up at the
Dundalk Foodland and the Esso gas station. The department would like to thank the
community for its generous donations. All toy and monetary donations raised are for the
Dundalk Christmas Cheer Campaign. All nonperishable food donations are collected for the
Dundalk and area food bank.

Majority of the inspections in 2024 in Southgate were for on farm diversified use businesses. A total of seventy-seven address were inspected. Some of these inspections require multiple site visits to bring into compliance or through different staged of a new build. The goal is to get all these businesses initially inspected and then placed on a three-year inspection rotation.

Emergency Calls

Over the last five years, the Dundalk Fire Department's call volume has been steadily increasing.

It is anticipated that call volume should slow down around April with Dufferin EMS rolling out their new response protocol which should reduce some of the departments medical responses into Melancthon.

Achievements

In this past year the Dundalk Fire Department has had many Achievements.

Our biggest achievement was becoming a training partner for the Red Cross. This creates flexibility for the department to schedule recertifications for its own members but also for Southgate Staff and a percentage of the cost using a third party trainer.

Staff undertook completing the Community Risk Assessment in house which took a large amount of staff time. By completing the Community Risk Assessment in house, it gave staff a better understanding of the community but also saved tax dollars by not having to hire a third-party company to complete. Staff have already started implementing changes to its operation based off the data collected from the risk assessment.

The Dundalk Fire Department took delivery of a new tanker apparatus in December. The apparatus was approved by Council in 2023 for purchase and was awarded to Fort Garry Fire Trucks. This truck replaced the 2004 Rescue unit. The Departments fleet is now updated, and all fire apparatus carry water which is important especially in a rural community. By having three apparatus that have the ability to shuttle water it allows the township to rely less on mutual aid and to be self sufficient. This also allows us to participate in mutual aid more without leaving our community exposed.

Lastly, staff applied for a Provincial fire prevention grant for cancer prevention equipment. Staff are excited to announce the department was successful in receiving \$8,230.45 from the grant which is going towards a new drying cabinet for bunker gear. This new cabinet dries three sets of bunker gear in approximately four hours where the departments current home-made system takes about twelve hours to complete three sets of gear. This will get our department back in service quicker after fires but also encourage members to frequently wash their gear as there will be less down time.

Message from the Chief

I would like to thank all the Dundalk firefighters and their families for all their hard work, dedication, and perseverance through 2024. Our members spend a great deal of time away from their families to protect our community, and the neighbouring communities.

I would like to thank Southgate Council for the opportunity to lead this amazing team of individuals for yet another year. This is truly a close-knit group that can overcome any challenge that may arise, and continues to look at ways to grow and better service our community.

Finally, I would also like to thank the Township of Melancthon and the Municipality of Grey Highlands for trusting our department with protecting portions of your community. This is a task that we do wholehearted to provide the best level of service possible to these residents.

A Proclamation on World Autism Day 2025

Whereas:

World Autism Day is recognized on April 2, 2025, in Canada. Autism Ontario is one of the largest collective voices representing the autism community, and the work we do helps all autistic individuals and families in their communities have access to meaningful support, information, and connections — not only on April 2 but every day throughout the year.

Whereas:

Autism impacts more than 135,000 individuals in Ontario, representing 1 in every 50 Canadian children and youth. It not only influences the lives of autistics but also their friends, families, and communities. It's crucial for us to raise awareness, and acceptance, provide support and promote a more inclusive society.

Whereas:

Autism is a diverse spectrum that varies widely among individuals. Each person's experience with autism can change over time. This evolving journey highlights the uniqueness of every autistic individual, emphasizing the need for understanding and support tailored to their specific needs.

Whereas:

Autism Ontario is the leading source of information and referral on autism, and since 1973, has been providing support, information, and opportunities for thousands of families and individuals across the province.

Whereas:

Autism Ontario is devoted to raising public awareness about autism and addressing the everyday challenges faced by individuals with autism, their families, and the professionals who work alongside them. We urge everyone to recognize and celebrate the unique differences and needs of others, fostering an inclusive environment where all individuals can participate fully in activities and discussions. Together, we can create a society that values and includes everyone.

Now Therefore:

BE IT RESOLVED that I, (insert Mayor name or designate), do hereby recognize April 2 as World Autism Day while committing to embrace awareness and acceptance today and every day throughout the year.

Dated at (municipality), Ontario this 2nd day of April 2025.

Subject: GRCA Monitoring Well Access Agreement - For Review

Attachments: PGMN_Melancthon Agreement_2025.pdf

Hi Denise,

I'm reaching out from the Grand River Conservation Authority to request the Township enter into an access agreement (see attached) for two monitoring wells the GRCA has located on road allowance in the Township of Melancthon. The monitoring wells are a part of the Provincial Groundwater Monitoring Network administered by the Province; an access agreement is required as the wells are a part of the Mandatory (Category 1) Program under the Conservation Authorities Act.

If there are any questions or revisions prior to signing back the attached agreement, please let me know.

Re: Access Agreement for Provincial Groundwater Monitoring Network Wells

Dear Ms. Holmes,

The Grand River Conservation Authority (GRCA) is requesting that the Township of Melancthon enter into a 10-year agreement with the GRCA, to allow GRCA staff to continue to access two long-term monitoring wells located on the Township road allowance at 682617 Sideroad 260.

The monitoring wells are a part of the Ministry of Environment, Conservation, and Parks (MECP) Provincial Groundwater Monitoring Network (PGMN). The GRCA works in partnership with the MECP to deliver this program within the Grand River watershed.

The purpose of the monitoring wells is to collect long-term groundwater levels and quality information. All results are provided to the MECP and made publicly available. This information is also used to support watershed, drinking water source water protection, and planning studies.

GRCA staff access the monitoring wells during brief visits approximately four times per year to obtain groundwater level measurements and sample the wells for water quality, plus well maintenance as necessary.

This agreement will permit ongoing monitoring and maintenance of the well by GRCA staff. Regards,

Sawson.

WHEREAS:

- 1. The Owner is the registered owner of the lands described herein under Schedule "A", and as amended from time to time (herein called "the Lands").
- The Owner (in response to a request from the Authority) has agreed, subject to and upon the terms herein contained, to grant to the Authority a non-exclusive licence for reasonable access to the Lands for the purpose of drilling, installing, maintaining, repairing, removing, operating, monitoring and sampling boreholes and/or monitoring wells (the "Monitoring Wells") in/on the Lands to measure water levels and determine the quality of subsurface groundwater associated with the Provincial Groundwater Monitoring Network.

WITNESS that in consideration of the premises and other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, The Owner and Authority agree as follows:

- 1. The Parties hereto acknowledge and confirm the accuracy and truth of the foregoing recitals.
- 2. All prior agreements, understandings and arrangements with the Authority for Monitoring Wells associated with the Provincial Groundwater Monitoring Network on the Lands, are hereby revoked and replaced in their entirety by this Agreement.

3. **GRANT OF LICENCE**

The Owner hereby grants to the Authority a non-exclusive licence to use the Lands for the purpose of drilling, installing, maintaining, repairing, removing, operating, monitoring and sampling Monitoring Wells in/on the Lands in the locations shown on Schedule "A" or as agreed by the Owner from time to time, to determine the quality and level of subsurface groundwater, and for every such purpose and for all purposes necessary or incidental to the exercise of the rights hereby created the Authority and its servants, agents, consultants, contractors and subcontractors and their supplies and equipment shall have reasonable access to the Lands. The licence granted hereby shall be non-exclusive and in common with the rights of the Owner and its invitees and any existing easements to the Lands; provided that neither Owner nor its licensees, easement rights holders or invitees shall be permitted to alter, move, remove or otherwise decommission any Monitoring Wells without the prior written consent of the Authority, not to be unreasonably withheld. Subject to the rights and obligations in this Agreement, Owner shall have the charge, administration, management and right of sale or disposition of the Lands as well as the right to fully use and enjoy the same. Owner is not and will not be under any obligation at any time to maintain the Lands, construct or repair or improve access, or clear snow or other obstructions, to or on the Lands.

4. OBLIGATIONS OF THE OWNER

The Owner agrees:

- (a) to negotiate options with the Authority prior to submitting written notice for termination of the Agreement if the Monitoring Wells become a hindrance, which would include, but not be limited to installation of electronic monitoring equipment, conversion to flush mounted casings or relocation; and
- (b) to notify the Authority in the event the Owner plans or intends to sell or otherwise dispose of any of the Lands.

5. **TERM OF AGREEMENT**

The term of this Agreement shall be ten (10) years commencing March 1, 2025 and ending February 28, 2035. This Agreement shall be automatically renewed for one (1) additional term of ten (10) years thereafter, unless terminated by either party upon giving at least one hundred twenty (120) days prior written notice to the other party.

THAT this Agreement may be cancelled unilaterally by either party by providing six (6) months notice in writing of the intention to cancel to the other party or by mutual agreement with any agreed period of notice.

6. **OBLIGATIONS OF THE AUTHORITY**

The Authority agrees:

- (a) to perform the drilling, installation, maintenance, repair, removal, operating, monitoring and sampling, of the Monitoring Wells to be conducted upon the Lands (the "Work") at its sole risk and expense in accordance with generally accepted good engineering practices and standards and in compliance with all applicable laws (including, without restriction, compliance with all applicable environmental laws and regulations), ensuring that its agents, servants, consultants, contractors and subcontractors are competent, properly trained, licensed and insured to carry out the Work to be performed pursuant to this Agreement and are informed of the Authority's obligations under this Agreement;
- (b) to request the written approval from the Owner prior to the commencement of any Work or taking any action that is not described in herein, such consent not to be unreasonably withheld;
- (c) to restrict its access to the Lands by traveling only over and along existing open areas, trails and access roadways that have been constructed upon the Lands, if applicable, as much as reasonably possible;
- (d) to ensure that its access to and use of the Lands does not unreasonably impede or interfere with the reasonable use and enjoyment of the Lands by the Owners or its invitees or by any existing easement rights holders, and to abandon and/or relocate

- the Monitoring Wells as requested by the Owner in writing, acting reasonably;
- (e) to obtain at its expense all permits, licences and approvals that are required from any and all governmental authorities in connection with the Work on the Lands:
- (f) during the entire term of this Agreement, to obtain and keep in force a general public liability insurance policy in at least the amount of two million dollars (\$2,000,000.00) of lawful money of Canada, that protects the Authority and the employees of the Authority from all claims, demands, actions, causes of action that may be taken or made against them or any of them for any loss, damage or injury, including death, of any nature or kind whatsoever that may arise through any act or omission or both including negligent acts or omissions of the Authority or any employee or employees of the Authority;
- (g) to name the Owner as an additional insured, but only in respect of the carrying out of responsibilities assumed by the Authority on the Lands under the conditions of this Agreement, and not in respect of any act or omission of the Owner or its invites, or, if applicable, any of their respective owners, members, directors, officers, agents, servants, consultants, contractors and subcontractors;
- (h) to take special note on the Lands of inherent occupational hazards, if any, and to be knowledgeable of, and abide by, the provisions of all legislative enactment, by-laws and regulations in regard to health and safety in the Province of Ontario;
- (i) to promptly notify the Owner of any loss, damage or injury suffered by any person or of any damage to any property resulting from, occasioned by or arising in connection with the Work or the Monitoring Wells;
- (j) to indemnify and hold the Owner harmless from and against all liabilities, claims (including orders and prosecutions), suits, actions, fines, damages, losses, costs, and expenses (including defence costs and court costs) arising out of injury to or death of any person or damage to or loss or destruction of any property or in defending any action (including orders and prosecutions), application, claim or demand for environment or occupational health and safety liability

arising from the actions, errors or omissions of the Authority, its agents, servants, consultants, contractors and sub-contractors, caused by or resulting from activities of the Authority described herein on the Lands or any part of the Lands or arising from any negligence, default, improper performance or non-performance of obligations in this Agreement by the Authority, its agents, servants, consultants, contractors and sub-contractors; provided that the indemnity as outlined in this Agreement shall not apply to existing contamination or environmental issues, concerns or conditions at the location of work or lands owned by the Owner being performed by the Authority or their contractor;

- (k) upon expiry of this Agreement (or of any renewal thereof) or upon the earlier termination of this Agreement, to forthwith abandon the Monitoring Wells (including capping and sealing) in accordance with good engineering practice, , and regulations thereto and as outlined in Provincial policy and guideline documents and to remove all equipment from the Lands and to restore and deliver up vacant possession of the Lands in the condition that existed at the time of signing of this Agreement;
- (1) that all site restoration required as a result of the operations as outlined under this Agreement by the Authority or its contractors and subcontractors will be the responsibility of the Authority, and all costs associated with such site restoration, the repair of any fencing and trails and any other associated costs relating to this Agreement will be borne by the Authority;
- (m) to keep the Monitoring Wells in a state of good maintenance and repair throughout the term of this Agreement in accordance with good engineering practices and, upon notice, to repair any damage to the Lands caused by the Authority; and
- (n) not to register this Agreement nor any notice thereof on title to the Lands.

7. **ENFORCEABLITY**

The invalidity or unenforceability of any paragraph or provision in this Agreement shall not be deemed to affect the validity or enforceability of any other provision of this Agreement.

8. **APPLICABLE LAW**

This Agreement shall be construed solely and exclusively in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein and both parties hereby irrevocably attorn to the exclusive jurisdiction of the courts of the Province of Ontario.

9. **SEVERABILITY OF TERMS**

All of the terms of this Agreement are severable from each other and will survive the invalidity of any other term of this Agreement.

10. **ASSIGNABILITY**

No party shall assign, sub-contract or transfer this Agreement or any of its rights or obligations without prior written consent of the other party.

11. **DEFAULT**

If any party fails to perform any of the covenants or obligations of performance imposed on it in this Agreement, the other party shall give the defaulting party written notice, stating specifically the cause for which the notice of default is given. If, within a period of thirty (30) days after giving notice, the defaulting party fails to cure the default, then the party not in default may cancel this Agreement or cure the default at the defaulting party's expense or both without obligation by furnishing the defaulting party written notice of cancellation. Such cancellation shall be without prejudice to either party's rights and obligations under the Agreement or at law.

12. **EFFECTIVE DATE**

This Agreement will be effective on the date that the last party executes and delivers this Agreement.

13. AMENDMENTS TO THIS AGREEMENT

Any amendments to this Agreement shall only be made in writing with the consent of the parties.

14. SUCCESSORS

This Agreement shall enure to the benefit of and be binding upon the parties and their respective successors and permitted assigns.

15. WAIVER

No waiver of any breach under this Agreement or of any available remedy shall be effective unless stated in writing and signed by the party granting such waiver.

16. **NOTICES**

It is mutually agreed between the Parties that all notices or other documents required or which may be given under this Agreement shall be in writing, duly signed by the party giving such notice and delivered/sent/transmitted in person, by mail, electronic mail or by nationally/internationally-recognized courier, with a copy by fax (if available), addressed as follows:

AGREEMENT

THIS AGREEMENT made this 27th day of January, 2025,

BETWEEN:

THE SHELBURNE PUBLIC LIBRARY BOARD

(hereinafter called the "Board")

AND

THE CORPORATION OF THE TOWNSHIP OF MELANCTHON

(hereinafter called the "Municipality")

WHEREAS Section 29 (1) of the Public Libraries Act, R.S.O. 1990 Chapter P.44, allows for the council of a municipality to enter into a contract with a public library board for the purpose of providing the residents of the municipality with library services.

AND WHEREAS the Board and the Municipality deem it expedient to enter into such an agreement.

NOW THEREFORE WITNESSETH THIS AGREEMENT that in consideration of the covenants and terms contained herein, the parties hereto agree as follows:

1. DESCRIPTION OF SERVICES:

- 1.1 The Board shall endeavour to provide in co-operation with other public library boards a comprehensive and efficient library service to the residents of the Municipality.
- 1.2 The Board shall operate a library which shall be open a minimum of 25 hours per week and shall not make a charge for membership in the library.
- 1.3 The Board shall allow the residents of the Municipality to,
 - a. borrow circulating materials; and
 - b. use reference and information services as the Public Library Board considers practicable, without making any charge.
- 1.4 The Board may impose such fees as it considers proper for services not referred to in sections 1.2 and 1.3.

2. WARRANTIES OF THE BOARD:

- 2.1 The Board is a corporation duly established under the *Public Libraries Act*, 1990.
- 2.2 To ensure quality library service under this Agreement the Board shall:
 - 2.2.1 ensure that all materials are available for use outside the library except those used for reference service, and rare and fragile items;
 - 2.2.2 ensure circulation policies of greatest convenience to the users and maximum use of materials;
 - 2.2.3 ensure that the selection of materials reflects the needs of the community.

3. REPORTS:

- 3.1 The Board shall submit an annual report to the Municipality.
- 3.2 The Municipality shall make an annual financial report to the Minister and make any other reports required by the Public Libraries Act, 1990 and the regulations or as requested by the Minister.

4. LIMITATION OF LIABILITY:

4.1 The Municipality shall not be liable for any injury, death or property damage to the Board, its employees or agents or for any claim by any third party against the Board, its employees or agents.

5. INSPECTION:

5.1 The Municipality shall be entitled, at all reasonable times, to review any records, books, accounts and documents in the possession of or under the control of the Board, subject to the *Municipal Freedom of Information and Protection of Privacy Act (MFIPPA)*, Section 14.

6. NOTICES:

- Notices under this Agreement shall be given in writing by personal delivery, or by mail, or by facsimile transmission.
- 6.2 Notice by mail shall be deemed to have been given on the third business day after the date of mailing.
- 6.3 Mailing addresses for notices under this Agreement are as follows:
 - i) for Township of Melancthon 157101 Highway 10 Melancthon, ON L9V 2E6
 - ii) for Shelburne Public Library Board 201 Owen Sound St. Shelburne, ON L9V 3L2

7. FINANCIAL:

- 7.1 The Municipality shall annually levy upon its assessment a sum to be used for the maintenance of the Board.
- 7.2 The Municipality shall in addition pay to the Board certain monies paid to the Municipality by the Province of Ontario for library services.
- 7.3 The sum of funds received by the Municipality under Sections 7.1 and 7.2 shall be equal to the Municipality's portion of the total funds required by the Board, as shown in Appendix B.
- 7.4 The attached Appendix A, which forms part of this Agreement, is a copy of the Board resolution being the new Funding Formula that was passed by the Board on June 21, 2016.
- 7.5 The attached Appendix B, which forms part of this Agreement, is a listing of the Payments to be made by the Municipality if the option in 8.1.A is chosen.

8. PAYMENT TERMS:

- 8.1 The Municipality shall pay to the Board the funds under Section 7.3 according to one of the following payment options:
 - A. 1. Fifty percent (50%) of the amount required for Board purposes in the current year on or before the 31st day of March, 2025.
 - 2. Twenty-five percent (25%) of the amount required for Board purposes in the current year, on or before the 30th day of June, 2025.
 - 3. Remainder of the balance owing on or before the 30th day of September 2025.
 - B. 1. Funds raised under Section 7.1 shall be paid to the Board in equal installments coincident with the dates upon which the Municipality collects its taxes in 2025.

- 2. Funds raised under Section 7.2 shall be paid to the Board within fifteen (15) days of being received by the Municipality.
- 8.2 If, in the year 2025 the Board's budget is not approved by the Town of Shelburne by March 31, 2025, the Municipality shall pay to the Board an interim payment of funds according to the following schedule which interim payment of funds shall be deducted from the Municipality's 2025 levy once the Board's budget is finalized.
 - 1. Fifty percent (50%) of the amount required for board purposes in 2024, which amount shall be paid to the Board on or before the 31st day of March, 2025.

9. FAILURE TO MAKE PAYMENTS:

- 9.1 If the payment schedule chosen by the Municipality is not complied with, the Library reserves the right to withdraw the Library services to residents of the Municipality until the payment is complied with.
- 10. ENTIRE AGREEMENT:
- 10.1 This agreement constitutes the entire Agreement between the parties. Upon the execution of this Agreement, any existing Agreements between the parties with respect to library services shall forthwith become null and void.
- In the event that any covenant, provision or term of this Agreement should at any time be held by any competent tribunal to be void or unenforceable, then the Agreement shall not fail but the covenant, provision or term shall be deemed to be severable from the remainder of this Agreement which shall remain in full force and effect, mutatis mutandis.

IN WITNESS WHEREOF the parties hereto have hereunto affixed their respective corporate seals duly attested to by the hands of their respective proper officers in that behalf.

APPENDIX A

Resolution extracted from Shelburne Public Library Board minutes dated June 21, 2016:

Funding Formula

Motion 29-16 L. Townsend, D. Besley

WHEREAS on June 8, 2016, a meeting was held with the Mayors, Municipal Clerks and Council Representatives of the Town of Shelburne and the four contracting Municipalities of Amaranth, Melancthon, Mono and Mulmur, together with Geoff Dunlop, Board Chair, Rose Dotten, CEO/Head Librarian, and Gord Gallaugher, Treasurer;

AND WHEREAS it was determined that the funding formula for the Shelburne Public Library should be revised to reflect the change in the number of households with patrons in all five municipalities;

Therefore, be it resolved that beginning in January, 2017, the levy required to balance the Shelburne Public Library operating budget will be allocated based on a 3-year average of active household cardholders, determined by the Library operating system, as of September 30 in the year preceding the budget year, for each municipality;

Be it further resolved that in addition to the foregoing, any capital projects for the Library requiring additional municipal funding will be allocated based on the same formula;

Be it further resolved that the Municipal partners may use the MPAC assessment totals as of September 30 each year as a verification tool for any substantial shifts in household user numbers.
