1. Call to Order

Welcome to all in Attendance and note to the Public – this Committee meeting is being recorded and will be available on the Township website under the Boards and Committee (Infrastructure and Emergency Management Committee) section within 5 business days of the Committee meeting.

2. Land Acknowledgement

We would like to begin by acknowledging that Melancthon Township recognizes the ancestral lands and treaty territories of the Tionontati (Petun/Wyandot(te)), Haudenosaunee (Six Nations), and Anishinaabe Peoples. The Township of Melancthon resides within the lands named under the Haldimand Deed of 1784 and the Lake Simcoe-Nottawasaga Treaty (Treaty 18).

These territories upon which we live and learn, are steeped in rich Indigenous history and traditions. It is with this statement that we declare to honour and respect the past and present connection of Indigenous peoples with this land, its waterways, and resources.

Hello,

I am writing to document that the front end of my 2021 Ford Bronco sport was wrecked after travelling on 260 sideroad heading east off of Southgate-Melancthon townline on Monday April 20, 2026 at 16:45. I have taken that road home from work many times and have never travelled a dirt road so bombed out. There were no road closed signs. Those were put up in the morning of April 21. My vehicle is not drivable and is now scheduled for service on Monday April 27.

As a motorist, a resident of Melancthon and a single mother, I don't think I should have to second guess turning down one of our roads and wondering if I will be out thousands of dollars due to its conditions.

I am appealing to you for some compensation on what I will have to pay to repair my vehicle.

Thank you.

Regards,
Katerina Mildner
